

Niagara's Road to Recovery Series

June 1, 8, 15, 22 and 29 | 10 - 11 AM

Our Niagara Chamber Partnership (NCP) is pleased to bring to you our five part event series, every Tuesday morning in June for one hour, starting June 1st. There is no charge to attend these events. The format will be moderated conversations with various businesses, highlighting different sectors in the region.

Our 1st session, held on June 1st with businesses representing the agriculture and winery sectors, was very interesting and informative. The event began with remarks from Chair Jim Bradley. Please click on the link below to view this event.

Our 4th session on June 22nd will feature the manufacturing sector. Discussions will revolve around what this specific industry has experienced throughout the past year, and their plans moving forward.

Speakers Include:

Ken Lucyshyn: Walker Industries

International Sew Right: Lyse Moreau

Stanpac: Murray Bain

Future topic sectors for our series are:

- Not-for-profits

To register for this event series, please click on this link...

Register for our June 22nd Event on Construction Sector

After registering, you'll receive a Zoom link from Eventbrite to join the event(s), and will again be reminded just prior to each event with that same link.

Thank you for joining us for this informative event series!
