

## Niagara's Road to Recovery Series

June 1, 8, 15, 22 and 29 | 10 - 11 AM

Our Niagara Chamber Partnership (NCP) is pleased to bring to you our five part event series, every Tuesday morning in June for one hour, starting June 1st. There is no charge to attend these events. Format will be moderated conversations with various businesses, highlighting different sectors in the region.

Our 1st session, held on June first with businesses representing the agriculture and winery sectors, was very interesting and informative. The event began with remarks from Chair Jim Bradley. Please click on the link below to view this event.

Our 2nd session was held on June eighth with businesses being represented from the tourism sector. Please click the link below to view this event.

**[June 8th: Road to Recovery Event - Agriculture](#)**

Our 3rd session, this Tuesday, tomorrow, June 15th, will showcase discussions on the Construction sector. Discussions will revolve around what this specific industry has experienced throughout the past year, and their plans moving forward.

Speakers Include:

Greg Brunet: Niagara Outdoor and Landscaping

Nick Colamartini: Mountainview Homes

Kate Flynn: Stolk Construction

Gary Pollard: Pollard Windows

Future topic sectors for our series are:

- Manufacturing
- Not-for-profits

---

To register for this event series, please click on this link...

**[Register for our June 15th Event on Construction Sector](#)**

---

After registering, you'll receive a Zoom link from Eventbrite to join the event(s), and will

again be reminded just prior to each event with that same link.

Thank you for joining us for this informative event series!
