West Lincoln Chamber of Commerce Outstanding Business of the Year Awards Thursday, October 21st, 2021

Our West Lincoln Chamber of Commerce is very pleased to host our 3rd Annual Outstanding Business of the Year Awards!

We will be recognizing the businesses and organizations in our community that demonstrate leadership, achievement, innovation, employee relations and development, as well as resilience, which contribute to the economy of West Lincoln and Niagara.

Despite the challenging times for many businesses, there is a reason to celebrate the resilience and refocused determination of businesses to continue to move forward.

More details to follow over the next few weeks...

Now is the time to start thinking about a local business you might like to consider nominating for an award. Within the next two weeks, you'll receive a Call for Nominations notice containing the criteria and the form to complete. We encourage you to participate and bring some of these great businesses to our attention.

More details to come!
