A Word From Denise...

Spring anyone?? At last it's here!!!

We are working full speed ahead on our events for 2022 and for some of our bigger events, we are currently setting up committees. If you would like to be considered as a committee member, please reach out to me as soon as you can and create an opportunity for yourself to potentially gain more contacts and community awareness of your business, while offering assistance to get our events up and running. Meetings, virtual to start, will begin in April.

Sponsorship Opportunities

Most of you are aware as to how popular our events are, in particular our Holiday Home Show, our Business Awards and our Community BBQ, as well as all we do via our chamber to promote and advertise our events to the businesses and community. Take advantage of this opportunity to be a sponsor, support our events and we will do all the promotional campaigns to advertise and support your business. See details in this link. Please help us spread the word!

Earlier this year, the reusable goods depot at the Niagara Road 12 Landfill in West Lincoln closed temporarily as we transitioned to a new service provider.

As of March 22, 2022, the depot will be reopened to the public with all the same services. Niagara Region would like to welcome our new partner, Salvation Army, who will be operating the depot.

Residents are welcome to begin using the service again. By doing this, residents are helping to reduce incoming waste and implement sustainable practices.

Please note that the waste and recycling drop-off depot is only available to residents of Grimsby, Lincoln, Pelham and West Lincoln.

Visit the Region's website for more [information about the reusable goods depot and a list of acceptable items](#)
